Matter No. 192

**NEW BRUNSWICK ENERGY AND UTILITIES BOARD**

IN THE MATTER OF an application by Coach Atlantic Transportation Group Inc. for approval of Routes, Schedules and Fares for its inter-city scheduled services within the Province of New Brunswick.

**ORDER**

Pursuant to a decision of the New Brunswick Energy and Utilities Board ("Board") in Matter 192, dated November 9 2012, Coach Atlantic Transportation Group Inc. received approval to apply a fuel adjustment surcharge to passenger fares for its line run service. The fuel surcharge is reviewed by the Board on a quarterly basis. In accordance with the fuel surcharge mechanism (FSM) approved by the Board in its order dated April 8, 2013, the Board makes the following findings:

1. The average New York Harbour spot price for ultra-low sulphur diesel fuel (ULSD) for the period January 1, 2010 through June 30, 2010 (the "base price") was 59.3 cents per litre.

2. The average daily spot price of ULSD for the period April 1, 2015 through June 30, 2015 was 61.4 cents per litre, producing an incremental increase in the cost of ULSD of 2.1 cents per litre over the base price.

3. The Fuel Surcharge Mechanism allows Coach Atlantic/Maritime Bus to assess a surcharge to passenger fares of 0.5% for each 2.5 cent incremental increase in the price of ULSD over the base price.

4. Accordingly the Board finds that the FSM results in a surcharge of 0.0%.

Effective July 15, 2015, the Board orders a change in the surcharge from 1.5% to 0.0% for all passenger fares for inter-city motor coach service provided by Coach Atlantic/Maritime Bus. The approved schedule of fares, incorporating the surcharge, is attached as Schedule A. This surcharge shall remain in effect until such time as changes are made by the Board.

DATED at Saint John, New Brunswick this 6th day of July 2015.

BY THE BOARD
